Feasibility Study Report on the Rice Packs Distribution in Afghanistan

December 7, 2020

Contents

Executive Summary:	3
Rice Distribution:	3
Conclusion:	5

Executive Summary:

World Orphanage Foundation (WOF) completed one more philanthropy to 270 families. According to the survey conducted by World Orphanage Foundation, a group of families living in remote area of Kabul are poor. So, WOF did a donation of 7KGs rice pack to 270 families on 7th December, 2020.

Rice Distribution:

World Orphanage Foundation (WOF) completed another philanthropy in the remote areas of Kabul city. WOF surveyed the most outskirts areas and found most vulnerable families that hardly can feed themselves. According to the survey details WOF did a donation for 270 families.

World Orphanage Foundation

The philanthropy was done by team of WOF on 7th December, 2020. World Orphanage Foundation distributed a rice pack of 7 KGs for each family. Every package of rice is for a family of 5 members for 2 weeks.

The team went to every house and distributed the packages. Even though the team faced change of climate and made the donation process slower but they completed the philanthropy successfully without missing any family.

Conclusion:

According to the survey conducted by World Orphanage Foundation, a group of families living in remote area of Kabul are poor. So, WOF did a donation of 7KGs rice pack to 270 families on 7th December.
