Feasibility Study Report on Food Distribution on winter season in Afghanistan

Oct 25, 2021

Table of Contents

Executive Summary:	3
Our Research:	3
Distribution of Food Packages:	4
Conclusion:	4

Executive Summary:

World Orphanage Foundation provided food for more than 20 Families, to those who didn't have anything to feed their children. This donation has been done on Oct 25th, 2021.

The donation was distributed to in-need families as food packages with 7 types of primary things Included (7 KG Rice, 7KG Beans, 5Lit Oil, 7KG Sugar, 7KG Potato, 7KG Onion, 10 Packs Salt).

Our Research:

Before the distribution of food, the WOF survey team surveyed each recommended poor family. Our team of the survey went to their homes and find that each family lives in a critical lifestyle, all the surveyed families live in rented houses and can't provide food for their children even one time a day. Before the Taliban takeover, each family had at least one worker and was able to live better but now they are jobless and couldn't find a job to provide food for their children.

Distribution of Food Packages:

The World Orphanage Foundation donation team distributed a package of primary food for over 20 families on Oct 25th, 2021. Each Food package included (7 KG Rice, 7KG Beans, 5Lit Oil, 7KG Sugar, 7KG Potato, 7KG Onion, 10 Packs Salt). The food packages were distributed among in-need families in Multiple areas of Kabul, Afghanistan.

WOF donation team was divided into two teams and went to multiple poor areas of Kabul. The honest and committed donation team of WOF delivered the food packages to the right families and promised to support more of these families on other donations.

Conclusion:

World Orphanage Foundation (WOF) distributed 20 Food Packages Including (7 KG Rice, 7KG Beans, 5Lit Oil, 7KG Sugar, 7KG Potato, 7KG Onion, 10 Packs Salt) to 20 surveyed families on Oct 25th, 2021.

This donation was successfully done to the right in need families by the WOF donation team.
